Rule 290-2-3-.16. Waivers and Variances

The Department may, in its discretion, grant waivers and variances of specific rules upon application or petition being filed on forms provided by the Department. The Department may establish conditions which must be met by the Home in order to operate under the waiver or variance granted. The applicant or petitioner must also show that adequate standards affording protection for the health, safety and care of the children exist and will be met in lieu of the exact requirements of the rule or regulations in question.
- (b) Waiver. The Department may dispense entirely with the enforcement of a rule or regulation by granting a waiver upon a showing by the applicant or petitioner that the purpose of the rule or regulation is met through equivalent standards affording equivalent protection for the health, safety and care of the children.
- (c) Experimental Variance or Waiver. The Department may grant waivers and variances to allow experimentation and demonstration of new and innovative approaches to delivery of services upon a showing by the applicant or petitioner that the intended protections afforded by the rule or regulation which is the subject of the request are met and that the innovative approach has the potential to improve service delivery.

(1) Satisfactory Records Check Determination Required

(a) The Provider, every actual and potential Employee and Provisional Employee of the Family Child Care Learning Home must have a Satisfactory Records Check Determination before the individual is present at the Home while any child is present for care or before the individual resides in the Home.

(b) No actual or potential Provider, Employee or Provisional Employee of the Family Child Care Learning Home with an Unsatisfactory Records Check Determination may be present at a Home when any child is present for care. No individual with an Unsatisfactory Records Check Determination may reside in a Home.

(c) Valid Evidence of a satisfactory criminal records check as defined in these rules must be maintained at the Family Child Care Learning Home for the Provider, each Employee (including Students-in-Training, volunteers, independent contractors and residents age 17 and older) and each Provisional Employee for the duration of employment or residency plus one year, and such evidence must be made immediately available to the Department upon request.

(d) Each Employee hired on or after January 1, 2014 must have a satisfactory Fingerprint Records Check Determination with a Records Check Clearance Date that is within the preceding 12 months of the hire date. In order for the Department to issue a satisfactory Fingerprint Records Check Determination, each Employee and Provider must submit both a Fingerprint Records Check Application to the Department and Fingerprints to an authorized fingerprinting site.

(e) Every Employee hired before January 1, 2014 must have either a satisfactory Preliminary Records Check Determination or a satisfactory Fingerprint Records Check Determination on file. If the Employee hired before January 1, 2014 has only a satisfactory Preliminary Records Check Determination on file, such Employee must obtain a Fingerprint Records Check Determination before January 1, 2017.

(f) Every Provider licensed before January 1, 2014 must receive a new satisfactory Fingerprint Records Check Determination before January 1, 2019.

(g) All Provisional Employees hired on or after January 1, 2014 must have a satisfactory Preliminary Records Check Determination. A Provisional Employee cannot reside at the Home or be present at the Home while children are present for care for more than 21 days from the date of hire or first day of residency without first submitting both a Fingerprint Records Check Application to the Department and Fingerprints to an authorized fingerprinting site.

(h) For a Provisional Employee to become a permanent Employee, the individual must have a satisfactory Fingerprint Records Check Determination.

(i) Portability for Employees (including Students-in-Training with a Records Check Clearance Date before January 1, 2016). A Provider may accept a satisfactory determination letter issued by the Department for a potential Employee (including a Student-in-Training with a Records Check Clearance Date before January 1, 2016) as sufficient evidence of that individual's Satisfactory Records Check Determination if the Records Check Clearance Date is within the preceding 12 months from the hire date, and the Provider does not know or reasonably should not know that the individual's satisfactory status has changed.

(j) Portability for Students-in-Training with a Records Check Clearance Date on or after January 1, 2016. A Provider may accept a satisfactory determination letter issued by the Department for a Student-in-Training with a Records Check Clearance Date on or after January 1, 2016 as sufficient evidence of that individual's satisfactory criminal records check determination if the Records Check Clearance Date is within the preceding 24 months from the hire date, the Provider has verified and maintains evidence on file at the Home that the Student-in-Training is currently enrolled in a high school recognized by the Department of Education or an early education curriculum
